Federal Reserve Bank of Kansas City

Nicholas Sly, PhD

Nicholas Sly is Vice President and Denver Branch Executive at the Federal Reserve Bank of Kansas City. In this role, he serves as the Bank's regional economist and its representative in the states of Colorado, Wyoming and in northern New Mexico. Mr. Sly works closely with the Branch's board of directors and is responsible for briefing the President of the Federal Reserve Bank of Kansas City on economic conditions in the Denver branch's region. Before joining the Bank in 2015, Mr. Sly was associate professor of economics at the University of Oregon. He graduated from the University of Northern Iowa with a degree in mathematics and economics and earned his Ph.D. in economics from Michigan State University. Mr. Sly is also a graduate of the Stonier Graduate School of Banking.
